

# YOU AND YOUR GOVERNMENTS

You are surrounded by government structures.  
Can you name them?

For each layer of government, indicate the title of the leader of that government body, the titles of the other members of that body, and how many of each there are. For example, the City of Portland is led by the Mayor and 4 City Council members called Commissioners.

Fill in the boxes with your answers.

In addition to these government bodies there are a number of others which affect you locally. Can you name some of them?

Mayor  
4 Commissioners
